

## Technical Data Sheet CB037

### Revitalising day cream / Revitaliserende dagcrème / Crème de jour revitalisante

#### Information to the pharmacist:

While HeW Pharma BV is the original manufacturer of this product, the pharmacist remains the end responsible person for the quality of each individual unit. Under Belgian law, any act of refilling of a bulk product or addition of any ingredient to a bulk product is considered manufacturing. You are required by law to correctly label and notify the resulting end product (either refilled bulk product as such or processed bulk product).

Notification of your end product can be performed at the Cosmetic Products Notification Portal (CPNP) via the following steps:

- Create an EU Login in account following the step on the following web site: [CPNP - How to create an EU Login account? \(europa.eu\)](https://ec.europa.eu/growth/sectors/cosmetics/cpnp_en)
- Make an account via the following web site <https://webgate.ec.europa.eu/cpnp/public/ecascreate.cfm> and log in.
- Follow the tutorial: [http://ec.europa.eu/growth/sectors/cosmetics/cpnp\\_en](https://ec.europa.eu/growth/sectors/cosmetics/cpnp_en)

#### Information to add in the CPNP

Product Name: Revitalising day cream / Revitaliserende dagcrème / Crème de jour revitalisante

Product imported in the Community: no

Member state of first placing on the market: Belgium

CMR substances of category 1A or 1B present: Not present.

Nano materials present: Not present.

Category of cosmetic product: Level 1: Skin products. Level 2: Skin care products. Level 3: Face care products other than face mask.

Physical form: cream/paste

Formulation name: Skin Care Cream, Lotion, Gel

PREDEFINED FRAME FORMULATION (to be used for CPNP): 1.1 -2013.

<https://webgate.ec.europa.eu/cpnp/resources/ff/FF-2013-EN-TRA-00.pdf>

Glycols and glycol ethers present: Not present.

Hydrocarbon solvents present: Not present.

Alcohols other than ethanol and isopropanol present: Not present.

Vitamine A or its derivatives: Not present.

Xanthines present: Not present.

Total levels of essential oils, camphor, menthol or eucalyptus present: Not present.

Toxicity information: None.

### **Label needs to be added**

Note that the following information is mandatory on the label:

- Name of the product
- Function of the product
- List of ingredients with INCI name
- Nominal content
- Name & address of the responsible person
- Mode of use when applicable
- Only supported claims can be added on the label
- Batch number
- Expiry date (not mandatory if shelf life is > 30 months)
- Period after opening

### **INCI :**

Aqua, C15-19 Alkane, Dicaprylyl Ether, Propanediol, Arachidyl Alcohol, Glycerin, Butyrospermum Parkii (Shea) Butter, Behenyl Alcohol, Hydrolyzed Hyaluronic Acid, Padina Pavonica Thallus Extract, Gaultheria Procumbens (Wintergreen) Leaf Extract, Simmondsia Chinensis (Jojoba) Seed Oil, Xanthan Gum, Phytic Acid, Microcrystalline Cellulose, Sodium Levulinate, Carbomer, Kaolin, Cetearyl Alcohol, Arachidyl Glucoside, Parfum, Sodium Anisate, Sodium Hydroxide, Tocopherol, Helianthus Annuus (Sunflower) Seed Oil

Suggested application: Apply on clean face and neck. For external use only.

Use and dosage: Apply on clean face and neck.

Supported claims: Moisturizing, wrinkle-correcting, regenerating, skin plumping, rejuvenating, revitalizing (visibly younger looking skin).

### Compatibility test on packaging:

The product has been tested on polypropylene plastic packaging both at room temperature and at 40 °C. No effects of packaging on the products qualities were observed.

### Characteristics

Appearance: White shiny cream

Color: White

Odor: Characteristic (hypoallergenic perfume)

Viscosity: 2000-2500 mPa.S-1 measured with an R-3 spindle at 250 rpm, room temperature.

pH value: 5,0-5,5

Preservative: Sodium Levulinate, Sodium Anisate

PAO (Period After Opening): 6M

Shelf life: 31M

Storage conditions: Dark, at Room Temperature

Allergens:

- None (as per Annex III of the Cosmetics Regulation 1223/2009).

Other information:

- Contains 98.85 % ingredients of natural origin.

- +/- 1% Physiological variation can appear on the final product due to the naturalness of the raw materials used.

- The color of the cream can become darker over time due to the naturalness of the raw materials used.

NOTE: In our formulations, heavy metal, petrolatum, propylene glycol, isopropyl alcohol, isothiazolinones, parabens, gluten, genetically modified organisms are excluded. Nickel <1 p.p.m. Products can undergo modifications and variations to improve their functionality. In particular, the use of active principles and plant extracts, although obtained with standardized methods, it can change the color and smell of the products for the impossibility of obtaining vegetable crops equal to each other.

#### **Overview:**

This specifically developed skincare product for men and women with padina extract and hydrolyzed hyaluronic acid has a rejuvating and regenerating effect. Fine lines are reduced, the skin feels softer, looks refreshed and younger. Purified extracts of brown algae (padina) helps to hydrate, regenerate and restructure the skin and restore its firmness and elasticity. By naturally stimulating the glycosaminoglycan and collagen synthesis, Padina, makes the dermis denser and more structured. Skin is plumper, firmer and revitalised (visibly younger looking skin) and is therefore better prepared to fight against time.

Hyaluronic acid moisturizes and smoothes the signs of age. The hyaluronic acid fragments are hydrolyzed and in a low molecular weight form, leading to better penetration into the skin and bind larger amount of water for hydration. It supplies hyaluronic acid into the skin and increases its content in the skin. The wrinkles are filled from inside, deep wrinkles and crow feet are significantly reduced with in vivo proven efficacy.

A non-greasy day cream that easily penetrates the skin without leaving traces. It serves as an ideal makeup base and contains a fresh fragrance.

#### **General properties:**

Day cream for men and women. With anti-aging properties. For all skin types. Suitable for sensitive skin. Tested dermatologically.

#### **Efficacy, safety and other in vitro and in vivo tests:**

All stability, microbial challenge and safety assessments and tests have been performed and documented as required in the Product Information Dossier.

#### **Disclaimer:**

HeW Pharma BV does not support nor recommends the use of other claims to this product.

HeW Pharma BV cannot be held responsible for any incorrect information on final labelling or as a result of marketing of the final product.
