

## Technical Data Sheet CB038

### Facial scrub / Gezichtsscrub / Gommage pour le visage

#### Information to the pharmacist:

While HeW Pharma BV is the original manufacturer of this product, the pharmacist remains the end responsible person for the quality of each individual unit. Under Belgian law, any act of refilling of a bulk product or addition of any ingredient to a bulk product is considered manufacturing. You are required by law to correctly label and notify the resulting end product (either refilled bulk product as such or processed bulk product).

Notification of your end product can be performed at the Cosmetic Products Notification Portal (CPNP) via the following steps:

- Create an EU Login in account following the step on the following web site: [CPNP - How to create an EU Login account? \(europa.eu\)](https://webgate.ec.europa.eu/cpnp/public/ecascreate.cfm)
- Make an account via the following web site <https://webgate.ec.europa.eu/cpnp/public/ecascreate.cfm> and log in.
- Follow the tutorial: [http://ec.europa.eu/growth/sectors/cosmetics/cpnp\\_en](http://ec.europa.eu/growth/sectors/cosmetics/cpnp_en)

Appearance: light pink with brown granules

Color: light pink

Odor: Characteristic

Viscosity: 2800-3400 mPa.S-1 measured with an R-3 spindle at 250 rpm, room temperature.

pH value: 5,0-5,5

Preservative: Caprylyl Glycol, Caprylhydroxamic Acid

PAO (Period After Opening): 12M

Shelf life: 36M

Storage conditions: Dark, at Room Temperature

Allergens:

- Benzyl Salicylate (as per Annex III of the Cosmetics Regulation 1223/2009).

Other information:

- Contains 98,87% ingredients of natural origin.

- +/- 1% Physiological variation can appear on the final product due to the naturalness of the raw materials used.

- The color of the product can become darker over time due to the naturalness of the raw materials used.

NOTE: In our formulations, heavy metal, petrolatum, propylene glycol, isopropyl alcohol, isothiazolinones, parabens, gluten, genetically modified organisms are excluded. Nickel <1 p.p.m. Products can undergo modifications and variations to improve their functionality. In particular, the use of active principles and plant extracts, although obtained with standardized methods, it can change the color and smell of the products for the impossibility of obtaining vegetable crops equal to each other.

**Overview:**

This natural, creamy and velvety facial scrub is suitable for all skin types. It is rich in valuable active ingredients. It very effectively removes all impurities and residues of dead cells from the face thanks to microbeads of almond nuts ground by hand. This scrub restores color to the skin and makes it new, fresh and radiant.

Rose water and rose extract contains antioxidants to protect the skin from external aggressions. Helps the skin to fight and repair damage caused by pollution. It also contains vitamins A and C, which help keep skin firm and supple.

Macadamia oil penetrates well into the skin and soothes it.

Shea butter acts intensely hydrating by retaining moisture and protects cells from irritants. This provides ideal conditions for healing dry, irritated skin.

**General properties:**

Exfoliating scrub. It very effectively removes all impurities and residues of dead cells from the face thanks to microbeads of almond nuts ground by hand. This scrub restores color to the skin and makes it new, fresh and radiant. For all skin types. Suitable for sensitive skin.

**Efficacy, safety and other in vitro and in vivo tests:**

All stability, microbial challenge and safety assessments and tests have been performed and documented as required in the Product Information Dossier.

**Disclaimer:**

HeW Pharma BV does not support nor recommends the use of other claims to this product.

HeW Pharma BV cannot be held responsible for any incorrect information on final labelling or as a result of marketing of the final product.
