

## Certificate of Analysis

**Product name:** **Argentum colloidal**

**Batch number / Weight:** **19B18-B18-190623 / 10 G**

**Analysed according to:** **Ph. Eur.04/2018:0049**

| Tests                         | Requirement  | Result  | Unit | Standard remark |
|-------------------------------|--|---------|------|-----------------|
| Appearance                    | green or bluish-black metallic shiny flakes or powder, hygroscopic | Conform |      |                 |
| Identification A              | Violet   | Conform |      |                 |
| Identification B              | Conform  | Conform |      | Silver          |
| Identification C              | Conform  | Conform |      | Silver          |
| Alcalinity                    | Conform  | Conform |      |                 |
| Silverion                     | Conform  | Conform |      |                 |
| Sensitivity to electrolytes   | Conform  | Conform |      |                 |
| Substances insoluble in water | $\leq 1,0$   | 0,1     | %    |                 |
| Loss on drying                | $\leq 8,0$   | 2,4     | %    |                 |
| Assay                         | 70,0 - 80,0 (dried substance)                                      | 72,6    | %m/m | Dried           |
