

## Certificate of Analysis

**Productname:** Zinci acetat dihydricus  
**Number of analysis/Inspection Code:** 1 / KEUR-186594B  
**Batchnumber:** 20H06-F05-374335  
**Reference code / No.:** 1987 / 3088936  
**Analysed according to:** PH.EUR10.2

| Tests                        | Requirement                                  | Result  | Unit | Standard remark |
|------------------------------|--|---------|------|-----------------|
| Appearance                   | White, crystalline powder or flakes          | Conform |      |                 |
| Identification A             | Conform                                      | Conform |      | Acetate         |
| Identification B             | Conform                                      | Conform |      | Zinc            |
| Appearance of solution       | Clear / colourless                           | Conform |      |                 |
| pH                           | 5,8 - 7,0                                    | 6,4     |      |                 |
| Reducing substances          | Conform                                      | Conform |      |                 |
| Chlorides                    | <=50   | Conform | ppm  |                 |
| Sulphates                    | <=100  | Conform | ppm  |                 |
| Aluminium                    | <=5  | Conform | ppm  |                 |
| Arsenic                      | <=2  | Conform | ppm  |                 |
| Cadmium                      | <=2  | Conform | ppm  |                 |
| Copper                       | <=50   | Conform | ppm  |                 |
| Iron                         | <=50   | Conform | ppm  |                 |
| Lead                         | <=10   | Conform | ppm  |                 |
| Metallic residues            | CHMP/ICH/353369/2013                         | Conform |      | Data producer   |
| Residual solvents            | CHMP/ICH/82260/2006                          | Conform |      | Data producer   |
| Assay Zinc acetate dihydrate | 99,0 - 101,0                                 | 100,7   | %m/m |                 |
| TSE/BSE-statement:           | No contamination with TSE/BSE-risk materials | Conform |      | Data producer   |

Analysis performed by the authorized laboratory Eurofins.
