

## **Certificate of Analysis**

Product name:CalaminaBatch number / Weight:21K15-B04-216787 / 100 GAnalysed according to:BP

| Tests                            | Requirement                                  | Result  | Unit | Standard remark |
|----------------------------------|--|---------|------|-----------------|
| Appearance                       | Amorphous, pink or reddish brown powder      | Conform |      |                 |
| Identification A                 | Conform                                      | Conform |      |                 |
| Identification B                 |  | Conform |      |                 |
| Calcium                          | Conform                                      | Conform | ppm  |                 |
| Soluble bariumsalts              | Conform                                      | Conform |      |                 |
| Lead                             | <=150  | Conform | ppm  |                 |
| Chlorides                        | <=0,07                                       | <0,07   | %    |                 |
| Sulphates                        | <=0,6  | <0,6    | %    |                 |
| Alcohol-soluble coloring matter  | Conform                                      | Conform |      |                 |
| Substances insoluble in hydrochl | <=10   | 4,0     | mg   |                 |
| Water-soluble coloring matter    | Conform                                      | Conform |      |                 |
| Residue on ignition              | 68,0 - 74,0                                  | 74,0    | %    |                 |
| Metallic residues                | CHMP/ICH/353369/2013                         | Conform |      |                 |
| Residual solvents                | CPMP/ICH/82 260/06                           | Conform |      |                 |
| Ps. aeruginosa                   | Negative / g                                 | Conform |      |                 |
| S. aureus                        | Negative / g                                 | Conform |      |                 |
| TSE/BSE-statement:               | No contamination with TSE/BSE-risk materials | Conform |      |                 |

Analysis performed by the authorized lab.

Release: Ewelina Gadzinowska Qualified Person
